Headteacher's Comments

Margaret Wookey

Thanks to Steve and his extended family for all their help with the FPTA. The set-up last year, with different people taking ownership of events, worked very well. Ali Saull has worked incredibly hard for the FPTA in the last year in her role as Staff Representative. Social Media has been very successful and well managed this year.

There are lots of opportunities that children have not only due to the funds raised by the FPTA but also by the events that the FPTA organise. The money that is raised is invaluable and the FPTA have really supported the school with some essential resources.

Chair's Report

Steve Cayford
