

Autumn Term 2
2018
7 Weeks

Firelight

Year 2

History Skills and Activities

As a historian I will ...

- find information by using simple texts, with help
- use artefacts to find out about the past
- learn how London is different now than in the past
- compare aspects of life in different periods
- use art work to find out about the past
- look at a range of poetry, fiction and non-fiction related to our topic work.

We will do this by looking at 'The Great Fire of London'

Art Skills and Activities

As an Artist I will...

- show control in the methods and materials I use in my work
- have ideas and make some choices about what I do
- show my ideas
- suggest ways to improve my own work
- use different media to create a design

These skills will be developed through:

- creating firework and silhouette pictures
- using collage to make Tudor houses

PSHE Skills and Activities

As a thinker I will...

- consider our different feelings and emotions
- learn how to express our emotions and feelings appropriately
- learn about calming strategies when we get angry

Communities & Citizenship	Environment	Using and Applying ICT	Physical and Emotional Wellbeing
<p>As members of the community we will:</p> <p>Consider how different religions celebrate light festivals looking also at customs and traditions in our local and wider communities.</p> 	<p>As people concerned with our environment we will:</p> <p>Look at how materials can be reused or recycled to reduce the impact on our environment.</p> 	<p>As users of technology we will:</p> <p>Find and use information to answer questions and use ICT to communicate with others.</p> 	<p>In our physical and emotional development we will:</p> <p>Consider our relationships and how we get along with others. We will learn what bullying is and how to deal with issues that may arise from falling out with others or from bullying.</p> 

In Mathematics we are learning about addition and subtraction of 2 digit numbers, money and adding three single digit numbers.
