Where Every Child Is at the Heart

Dear Parents and Carers,

Following feedback from parents and carers, we are pleased to share an update regarding our school uniform from September.

From the start of the new academic year, children will have the option to wear a bottle green polo shirt as part of our everyday uniform. This change has been introduced to support a more sustainable and practical approach to uniform choices. We are aware, however, that white polo shirts are more readily available and therefore white polo shirts will remain part of our uniform. Families are welcome to choose either colour.

We are also updating our PE kit colours. From September, PE tops will change from white to a plain colour representing children's house groups: red, yellow, blue, or green, depending on house allocation.

If you already have a white PE top at home, there is no need to purchase a new one immediately. Please continue to use what you have, and simply update items gradually over time as replacements are needed.

Deans in Cheddar have been made aware of these changes and will be stocking the new items in readiness for September. Parents are, of course, welcome to source uniform items from a range of suppliers.

Our website and uniform policy have been updated to reflect these changes.

We hope you will find these updates helpful and that they will be well received by families and children.

Best wishes,

Mrs Smith  
Headteacher
